Using the power of technology, Delhi University's Kamala Nehru College (KNC) recently celebrated its annual college day virtually via Zoom. The event was attended by around 300 people.

In his address, C Rajkumar, vice chancellor, OP Jindal Global University, highlighted the role of women leaders in society. He cited studies that showed that countries where most of the institutions are led by women have shown better outcomes in terms of human rights and welfare.

Lt. General (Dr) Madhuri Kanitkar urged the students to keep an 80:20 formula in mind. She advised the students to devote 80 % of their time to their profession and goals while keeping 20 % time for themselves to use their ideas in a productive way.

Students who excelled in their studies were felicitated with academic awards. Priya Pathak from BA (Hons) Journalism received the 'College All Rounder' prize. The 'Most Talented Student' award was awarded to Anshu Saikia from Economics Honours. Vaishnavi Bhaskara of Philosophy Honours won the KK Gorowara Memorial Award for the 'Best All Rounder'.

On this occasion, two students who won international sports competitions were also felicitated. Shivpreet Pannu secured the first position Asian Youth Speed Climbing Championship at Bangalore, while Kirti Gupta won the gold medal in the Shotgun Shooting (Trap) event held at Kazakhstan.
