

FUNDAMENTALS OF JEWELLERY DESIGNING

(STARTING FROM 1ST JUNE 2023)

Kamla Nehru College is offering a certificate course in 'Fundamentals in Jewellery Designing' in association with Gems and Jewellery Skill Council of India. What's better way to utilize your time than developing your skill sets in a niche which will remain useful for a lifetime!

But why Jewellery Designing?

Building a strong foundation in this uncommon skill will not only enhance your creative and artistic abilities, but also equip you with practical skills that are advantageous in the manufacturing sector.

The outcomes of this course are:

- **Learning how to create a portfolio of class projects and custom designs that are ready for presentation to potential clients and employers.**
- **Practical exposure and theoretical knowledge for building a long-term career.**
- **Understanding the current market trends along with a background in rich historical heritage of India.**

The course will cater to all who have interest in taking up a career in the field of Jewellery making. This career path is highly rewarding especially for people who have great creative minds. Some of the domains include:

- **Gem Retailing**
- **Garments and Design Firms**
- **Material Purchase Logistics**
- **Gem Wholesaling**
- **Jewelry House**
- **Precious Stones Consultancy**
- **Jewelry Designing Companies**
- **Antique Houses**
- **Museums**

Only female candidates will be eligible for this course.

The classes will be conducted in hybrid mode i.e., both online and offline. The total duration of the course is 120 hours in which 40 hours are assigned for theory and 80 hours for practical.

A certificate will be awarded to participants upon successful completion of the course.

The course fee is 5000 INR and will last for 6 weeks.
