ADAGIO ACTIVITY REPORT 2020

The beginning of 2020 saw Adagio in the middle of fest season. Before the lockdown was announced and the fest season came to an abrupt end, the society participated in a total of four competitions. These were as follows: **Gargi college (5th February), Lady Shri Ram college (18th February), Shri Venkateshwara College (28th February) and Hansraj college (1st March).**

With the commencement of the first lockdown on the 22nd of March, Adagio faced an unusual challenge. However, the society continued to function against all odds, now conducting its activities in the online mode. Rehearsals were being conducted every once in a while, since the situation was unclear and the members were unsure of what direction they should take the society in. Elections were conducted and the **newly elected council** for the year 2020-21 took over in the **month of October**.

As the batch of 2023 entered their first year, **online auditions** were conducted for admitting new members. On the **26th of November, 2020** a routine choreographed by existing members was taught to about 50 auditionees over a zoom call. They were asked to send in a video of the same within a span of three days. This was followed by deliberation amongst the core team of 11 and resulted in the addition of 24 members to the Adagio family. In this manner, as 2020 came to an end, the society entered a fresh new chapter with the objective of functioning more actively despite the challenge put forward by the pandemic.

Student Convenors: Jasleen Kanda and Ayushi Saini

The aim of the Consumer Club at Kamala Nehru College is to educate the students to be smart consumers by making them aware about their consumer rights and redress mechanisms. We have been working to enlighten the student community to raise their voice against unfair trade practices and empower them to protect themselves and to make "consumer sovereignty" a reality. First of its kind in Delhi University, the Consumer Club was established on 29th November 2005. Its annual bulletin, 'Awaken' brings forth a spectrum of articles and records events organized by the club.

On 29th September, 2016 the Consumer Club invited Dr. Jasveer Singh for a talk on 'Food Safety and Standardization'. Dr. Singh, who is currently working with Mondelez India Foods Pvt. Ltd., briefed the faculty members and students about adulteration in food by frequently elucidating real life examples and about measures which can be taken to ensure food safety.

The Club had the privilege to invite Mr. Bejon Misra, a consumer activist, on 4th October 2016, to speak about the loop holes in medical issues and how more funds should be invested and directed towards medical problems. The talk was followed by post card writing to our current PM, Shri Narendra Modi, requesting him to look into the matter and take immediate action.

Dr. Sheetal Kapoor was invited on 21st September at Miranda House, University of Delhi to give a talk on "Comparative Testing of the Products".

The Consumer Club team enthusiastically participated at Consumer Mela organized by the Ministry of Consumer Affairs on 20th October 2016 at Connaught Place. The team performed 'Nukkad Natak' a self-written and directed play about the problems of banking consumers. The play was appreciated by the Secretary, Ministry of Consumer Affairs and the performance was repeated at the same venue in the evening. The team again performed at Dilli Haat, on 27th October 2016 and received huge rounds of applause from the general public.

Consumer Club members also celebrated the National Consumer Day on 24th December 2016 at Vigyan Bhawan and the topic for discussion this year was "Alternative Disputes Resolution for Quick Redressal of Consumer Disputes."

The year was an eventful one and designing the new year calendars, based on some consumer advisories to empower our teaching and non teaching staff on consumer issues, has been the highlight of the Club.

2020-2021

Activities from September-December 2020:

1. Creative Writing Competition:

Last semester, Awaken- The Consumer Club of Kamala Nehru College started extraordinarily, hosting an Intra-college Creative Writing Competition, hosted by that witnessed impressive participation with several interesting pieces. The topic of the competition revolved around the theme- "The Life Jacket in a Drowning Boat" that centred the view on the analysing the paradigm shift in consumer behaviour amid COVID-19. The theme, as twisted as it sounded, was based on metaphorically assuming COVID-19 to be a drowning boat, whilst the consumer rights act as the only life jacket. The openness of the competition, such as the reasonable word limit of 500, both Hindi and English mode of expression and a handful number of days, invited a good number of participations from several colleges. The theme was in adherence to the society's central point as well as the current scenario of the world under the clutches of a pandemic, being hit by COVID-19. The judgement criteria was very fair and based on the creativity of the writer, originality of the content, the concept as projected by the writer and grammatical strength of the article. In the end, three ingenious yet compelling articles were chosen as the best and the writers were lauded with their positions along with a social media feature on the official Instagram page of Awaken.

2. Introduction of our very first blog:

Awaken, the Consumer Club of Kamala Nehru College, launched its first ever blog site- CC KNC

The social media pages of the Awaken have always aimed at people's awareness. We have done our bit to make the consumers, more responsible ones. By engaging into extravagant campaigns and posting in a great deal about the rights that one should comply with, Awaken has been carrying forward a really informative campaign. We here also try to give in our best support information to make a string of post placards wherein we try to give a heads up to the consumers regarding all that they need to know regarding the manipulative practices. Awaken makes sure that it tries to bring it's consumers to speak up against what should be done and what shouldn't be!

The world came to a standstill with a global pandemic and we had to let go of our idea of normal. There were no classes to attend, no ECA breaks and no society practice. But the world slowly regained its pace and we took our first step towards turning crisis into opportunity. Crossfire, the English Debating Society of Kamala Nehru College organized its 5th Annual Parliamentary Debate Munaazrah on an online medium from 7th- 9th November 2020.

Munaazrah has always fostered the spirit of inclusive discourse. Our motto was to provide a level playing field to everyone to discuss and deliberate on issues of great importance. Dissemination of valuable opinions is a key way to make the world a better place. We aimed to create an ecosystem of learning, expressing and voicing one's views.

The event was held on Google Meet and an online debating medium, Mixidea and saw the participation of 32 teams from University of Philippines, Delhi University, IITs, Christ University, St. Xavier's College, National Law Universities among several others across the Subcontinent.

Over the span of three days, several motions on pressing issues of the world such as environment, culture, sports, science and technology, international relations, feminism and philosophy were debated with great acumen. Teams and Adjudicators participating displayed zeal and enthusiasm for each round of the event.

The winner of Munaazrah 2020 was a team comprising of Shvabh Chakarwari from Government Law College, Mumbai and Atul RH and Daniel Nicolas Monteiro from Ramaiah Institute of Technology, Bengaluru. The runner up was a team comprising of Shruti Deb from National Law University, Vishakapatnam, Sneha Das from Hansraj College, DU and Nitin Saidha from Vellore Institute of Technology.

The Best Adjudicator title was awarded to Surabhi Chavan from St. Xavier's College, Mumbai.

The tournament saw great debates full of bright ideas and persuasive speeches. With each motion, debaters expertly deconstructed concepts of equality, justice, welfare and fraternity. Munaazrah served as a platform for seasoned debaters to guide novices in the competitive world of debating. It was a learning experience like no other. This tournament was made possible by the relentless co-operation of our college admin, the efforts put in by the members of KNC Debating Society and the enthusiasm of all the participants who adapted admirably to the online medium.

2019-2020

Activities 2019

The annual event of the society, Terra '19, was organised on 27th March 2019. The theme of the fest was 'Celebrating the Connect'. The formal session began with a presentation by Dr. Priyanka Kulshreshtha on Extended Producers Responsibility (EPR). Dr. Priyanka is presently working as Head, Research and Communication, Indian Pollution Control Association (IPCA). Her talk gave useful insights on the theme waste management. This was followed by a talk by Ms. Jyoti Raghavan from India, Green and Wild Initiative. She introduced the audience to the campaign that began after the death of a tigress called 'Avni' in the forests of Yavatmal in Maharashtra. What started as a simple Facebook post, has turned into one of the biggest campaigns on deforestation and wildlife conservation. She talked about the need of designing development plans without compromising on the forest cover and our green heritage. Several competitions that were organised included Debator's Retreat- the debate, Slam Poetry Competition and Brain Chop, the quiz competition. As a part of Terra '19, an online photography competition was also organised. All the events witnessed good participation from different colleges. A play on the theme "Celebrating the Connect" was presented by the society members to depict the changing human attitude towards environment that damaged nature. The play was followed by a small cultural program and distribution of prizes/certificates.

In the month of July, with the beginning of new academic session, the registrations were rolled out. A good number of applications were received from environmental enthusiasts to work for the society. Of the 93 applicants, 60 students were finally admitted to the society. On 20th August 2019, an Orientation Programme was conducted for the new members of the society. The teacher conveners as well as the student core team members acquainted the students with the activities conducted last year as well as the activities planned for the year ahead.

This year, students proposed a novel idea of a weekly Group Discussion series on a host of environmental issues. The first group discussion was conducted on 28th August 2019 on the Great Pacific garbage patch, which is actually "two enormous masses of ever-flowing garbage". The issue was first explained by the co-convenor of the society, Ms. Taveri Rajkhowa. Later, the topic was left open for discussion. The main issues discussed were: How did it become a problem, How can it be solved, and its consequences on environment and human life.

On 8th September, members participated in the UN dialogue with Deputy Secretary General Amina J. Mohammed on Sustainable Development Agenda and the need for Climate Action. The event began with Anshul Tewari, the founder of Youth Ki Awaaz speaking on the need to take multiple steps and to create a path not just for ourselves, but for our communities. Only if we follow the maxim of "Think Globally, Act Locally", a change can be brought across the World. Deputy Secretary General took this opportunity to interact with the youth of Delhi on approaches to minimize the impact of climate change. She further spoke on the need of inspiring a new age of leaders and change makers. India, with its youthful population, would be a leader for this long-drawn war for humanity.

In the series of group discussions, the second discussion was held on 18 September 2019. The agenda focused on Unconventional Water Treatment Methods. The participants shared their experiences of water and traditional treatment methods used in their villages and rural areas they visited. The brainstorming session observed ideas and small steps to ensure that water is not polluted at home and in our surroundings in general. Members agreed how going back to our roots is the ultimate way to be in symphony with nature.

The Creative Team updated the society's board on the theme of 'Amazon Wild Fires'. This was set in the background of disastrous fires which burnt the 'Lungs of the World' in the month of August. Amidst the international attention the issue got, the board brought to the forefront the reasons of fire, its implication on ecosystem and the steps to mitigate such disasters in the future, at the national as well as international level.

In the month of September, this session's core project involving individual's Water Footprint Calculation using random sampling technique was undertaken. The society members were divided into 8 teams, each headed by a group leader. The questionnaire adopted for this was simple and dealt with one's day to day activities. A sample of 800 students was taken. The society built behavioral interventions and awareness programmes at the college level, which would be completely data driven using the data mined from the surveys. Enthusiastic participation of the students ensured that the process of data collection was completed within a month. After this, the unique water footprint was calculated using the calculator developed by the researchers at UNES-IOE.

Kaleidoscope: The Quiz Society 2016-2017

Report (January-May 2016)

Faculty Convener: Dr. Sona Mondal

Student Convener(s): Soumya Khochhar

Kaleidoscope, the quiz society of Kamala Nehru College has been diligently working to make quizzing a popular activity among the students and promote it as a medium of learning, albeit in a fun way. The previous academic semester witnessed collaborations with various departments of the college in their annual theme-based quizzes along with the society's annual quiz 'Inquizzitive' held during the annual college festival, Ullas. Here's a quick glance at steps we took and the activities we conducted to make quizzing a rewarding experience for all. On 4th Feb 2016, Kaleidoscope, in association with the Economics Department of Kamala Nehru College, organized an economics themed quiz-"Quiz Pro Quo". The preliminary round was general spanning all genres from economics to history, sports, etc. This was followed by Mains round which in addition to questions based on economics included elements of business and current affairs. The quiz received an overwhelming response from a large number of people from various reputed universities.

The History Department of Kamala Nehru College organized a quiz in collaboration with Kaleidoscope at its annual history fest 'Chrono'. Titled "Jashn-e-dilli", the quiz celebrated Delhi, the city we all live in, and was aimed at promoting cultural and heritage awareness. The quiz attracted a lot of participants who battled their wits against similar enthusiasts. The questions were based on monuments, history, politics, people, literature and all the eminent personalities defining the capital city.

Kaleidoscope next collaborated with the English Department of KNC for their annual quiz. "Quizzilain", a quiz based on the indispensable villains of visual and textual media, as well as "real life" villains tested participants on various attributes, mannerisms, dialogues of their beloved antiheroes. The theme, due to its uniqueness appealed to many and the event witnessed great participation.

The Fourth Estate – a media quiz organized by Kaleidoscope – in collaboration with the Journalism Department of Kamala Nehru College was one of its kind. Participants were expected to run knowledge tests in various areas of journalism, also referred to as The Fourth Estate. An overwhelming number of participants graced the session in a fun-filled war of wit, memory, and intelligence.

"Inquizzitive", the annual quiz of Kaleidoscope held during the college festival 'Ullas' observed the coming together of the festive spirit of students with their quest for being the ultimate quizzier. A general quiz, Inquizzitive presents a blend of topics for the participants to pedal their minds against the people of their kind. Held on 6th of April, 2016, Inquizzitive was a great success. The cooperation of our teachers and team members played an important role in making Inquizzitive a great success, which wrapped up our super- busy semester. Kaleidoscope is known in the Delhi Quizzing Circle for the quality of the questions in their quizzes. A combined effort of teachers, society members and volunteers is what makes the society shine.

In the last one year, Kaleidoscope conducted various events to create visibility and a significant place for itself in the Delhi quizzing circuit. We increased participation to expand our knowledge base and to be known as a team to reckon with.

In August 2017, we conducted the auditions which comprised of two rounds, first was a written round followed by the second round which was a question making round. The best quizzers were selected.

We held the first round of the 3rd Jaipuria Quiz League, a National level quiz competition and were met with great enthusiasm and participation. The top 3 teams moved to the 2nd round that was conducted by the Jaipuria Institute of Management.

Our Annual Inter-College Quiz, 'Inquizitive', was held as part of the Annual College Fest, 'Ullas 2018', and was received with passion and zeal from participants of various colleges and universities. We covered diverse topics of interest such as Art, Literature, and Travel to increase interest and participation.

We concluded the quizzing season by conducting an Intra-College Quiz on Entertainment: Music, TV Series, and Movies, which was well appreciated for its excellent quality of questions.

We hope to widen our reach and build a team of passionate quizzers in the following years.

In 2018, Kaleidoscope conducted various events to create visibility and a significant place for itself in the Delhi quizzing circuit. We increased participation to expand our knowledge base and to be known as a team to be reckoned with. In February, our first event 'Inquizitive'– A General Quiz for the annual fest ULLAS 2018 was held. With good participation from colleges and universities across Delhi, it was a successful event that was enjoyed immensely by the participants who found it informative and competitive as they reached the final rounds of the quiz.

In March, our next event, an Intra College Quiz was met with a lot of enthusiasm. The students of Kamala Nehru College found the quiz thought provoking and enjoyable. In August, with the new semester, we conducted auditions to find eager minds with a passion for quizzing. We formed a new team for the coming year.

Workshops by two professional quizzers were conducted to familiarise members with university level quizzing. The experienced speakers shared their useful tips and tricks to crack quizzes and organize events. In October, we conducted our last event of the year, an Intra College Quiz based on travel, literature, and culture. The students found the quiz very fascinating and engaging. We hope to widen our reach and build a team of ardent quizzers in the following years.

2016-2017

Report 2016-17

Faculty Convenor: Ms. Shikha Prakash

Student Convenor: Ankita Lalwani

In the academic session 2016-17, Luminoso worked on its annual college Aesthetic improvement work. This included painting several murals based on traditional Indian painting styles such as Madhubani, Warli and Kalamkari. Luminoso extended its painting work from the informal areas to the teacher's staff room, which now has a beautifully painted mural too. They also worked on collecting interesting celebratory facts about our college which are now framed and put up for students to read. We held a hands-on workshop on Madhubani painting by Mr. Mishra in September 2016. This is part of their initiative to introduce students to varied art forms. Currently they are busy preparing for the annual college festival Ullas.

Luminoso—fine arts of society focuses on improvising the aesthetics of the college campus and providing students a platform to showcase their arts and crafts talent. The society has been known for creating extraordinary handmade decorations for the college fest ULLAS for the past five years.

On 21 st March 2017, Luminoso created 40 canvas paintings as annual art project for the student's common room.

The theme of the annual fest Ullas'17 was "caricature and cartoon strips." Hundreds of handmade caricature works adorned the college campus for the festival. The centre piece was a hand crafted beautiful life size sculpture of a ballerina made out of metal wire. Three inter- college art competitions were held during Ullas, including Paint a scene, Pebble painting and Caricature making. The winners were awarded cash prizes and certificates.

On 21 st September 2017, an intra-college card making competition was held on the topic 'Doodle it up' and the winners were awarded college certificates. On 16 th October 2017, the team worked on the decoration work for College Diwali Mela Adirith. On 22 nd January 2018, two walls of bamboo rooms were painted as a college beautifying project.

From 21 st to 22 nd February 2018, team Luminoso with its vibrant decorations around the campus proved to be the creative force behind the Annual Cultural fest Ullas '18. The elegant gold and silver masks as the Centrepiece broke the monotony of the colourful decoration. The area near the student activity centre was recreated as the 'Childhood Memories Corner' and thus was decorated with numerous superheroes. Along with this, a handmade Photo booth adorned the Chaupal. There were many competitions held, giving students a chance to showcase their creativity. All this and more depicted creativity at its best and made the experience of the annual cultural fest of the college even more beautiful.

With the passing years, the number of members of society has increased and creative activities among the participants has enhanced remarkably. The society has been successful in bringing artistic souls together while helping to create a more vibrant environment and encouraging many students to showcase their potential.

2018-2019

Luminoso began the year 2019, with preparatory work for the college annual festival Ullas. Students made beautiful spring themed decorations which made the college campus look like a blooming garden. We held inter-college quilling, painting and caricature competitions. During the summer months our team worked on a series of murals on the bamboo rooms. This space has been named as "Nature square", with landscaped plants surrounded with paintings of water lilies in a pond. On 16th October we held Luminoso crafts mela showcasing variety of art and crafts products such as greeting cards, book marks, paintings, pebble art, jewellery, quilling craft, key chains, fridge magnets and baked goodies. We hold this mela to encourage our students to take up their creative ability to a professional level. During the month of November our society student convenors, Anoushka Gogoi and Shagun Dhir represented our college at the India science exhibition held at Kolkata. These students put on display art and crafts products prepared by them. They received very good response from the people visiting the exhibition and their fellow participants as well. We are currently working on ideas for Ullas 2020 decorations.

Nupur: The Indian Dance Society 2016-2017

Report 2016-17

Faculty Convenor: Dr. Sushma Choudhary

Student Convenors: Shreya Banerjee and Trishya Verma

Nupur, the Indian Classical and Folk Dance Society of Kamala Nehru College, is one of the oldest societies of this College. Currently Nupur family consists of 20 members in the folk group and 7 members in the classical group. In the folk category Nupur has performed various dance forms such as Gidda, Bhangra, Kaalbeliya, Bengali folk and Lavni. In the duet and solo categories under classical and folk group, Nupur has won many laurels in colleges such as St. Stephens, IGDTU, SNU and IIT.

For the year 2015-16, the annual production of the Society was a Dandiya Raasleela where Lord Krishna was shown to be playing with Radha and other Gopis along the banks of river Yamuna. It was a very vibrant and energetic dance.

Nupur was also invited to perform at Indira Gandhi National Centre for Arts by the Cultural Ministry of Delhi on the occasion of Basant Panchami in the year 2016. The performance there was widely appreciated. The NAAC Committee, during their inspection in September 2016, was extremely pleased with Nupur's performance of Dandiya Raasleela and a classical fusion of Bharatnatyam, Kathak and Kshatriya dance forms. During the month of September, Nupur organised a Dance Workshop, 'Odissa – The Aesthetics', under the guidance of Guru Madhumita Raut. She is a renowned Odissi dancer and the event was a huge success.

The members of Nupur are always enthusiastic and have an optimistic view towards learning new dance forms. In the year 2016-17, the annual production of Nupur is a Rajasthani folk form, called Chari dance.

Created in 2002 with a vision to bring about change and question the existing stereotypes of our society through the quintessential medium of theatre, Lakshya - The Theatre Society of Kamala Nehru College has stood up to its motto of generating awareness and continues to do so. During the last year, Lakshya successfully organised Concoction '17 - a two day long theatre festival witnessing a footfall of around 2,500-3,000 people over the two days of the festival.

The street production Aiiin depicts the current scenario of the country. This play talks about a group of students who realize that there are so many unwritten, yet obvious limitations to their right to express themselves. It is an attempt to represent the leakages of various parts of the system in the country and how majoritarian politics plays a huge role in shaping our social dynamics. The attempt is not to point fingers but to understand the contemporary problems from the eyes of the younger generation.

Following is the list of performances and achievements of Lakshya with this production: Janki Devi Memorial College, Maharaja Surajmal Institute of Technology, ZHDC(E), PGDAV (Morning), National School of Drama, SGTB KHALSA, Leaders for Tomorrow- Public Performance, V4V – Public Performance, MANTHAN – Public Performance, and Hansraj College where Aditi Gupta got the best performer award.

The stage production Convuluted, a psychological thriller written and directed by Bipasha Talukdar is about a maze of the protagonist's imagination. Delivering completely different aspects to the audience and hiding behind the shield of confusion, she puts those around her in doubt. This production won the team critical acclaim at: Saitan Theatre Festival- AksharaTheatre, Deshbandhu College- Third Position, and Maulana Azad Medical College.

Lakshya prepared a special stage play in order to create awareness about the Indian culture and the movements led by our leaders and hosted a special performance for the Gandhi Study Circle. Lakshya also had a special performance for BetiBachaoBetiPadhao, - a social campaign of Government of India that aims to generate awareness and improve the efficiency of welfare services intended for girls. Lakshya prepared a special stage play in order to create awareness and contribute towards our country's welfare.

Zephyr: The Western Music Society 2016-2017

Zephyr, the Western Music Society of Kamala Nehru College, is a group of varied singers who have come together to create music. It comprises of the choir and the college band. The choir is an *acapella* group that creates the sound of instruments through their vocal chords. Students are selected through three rounds of auditions on the basis of their talent, ability to blend, hard work and the passion to learn. The new members of the group are then divided into separate sub-groups like bass, altos and sopranos, according to their respective voices.

Zephyr successfully hosted the annual inter-college competition *Rhythm 'n' Blues* during ULLAS2016 with numerous participant colleges. Our judges this year were Sharmila Livingston (musician, director and entrepreneur) and PanviPodder (vocalist and instructor at Performers Collective, Gurgaon). The choir secured the first position at Miranda House, Sri Venkateshwara College, Netaji Subhash Institute of Technology and Indraprastha College for Women in the group category. It stood second in the same category at Janki Devi Memorial College, Jesus and Mary College, Indian Institute of Technology(Delhi) and Shiv Nadar University. The choir secured third position at Delhi Technological College, Kirori Mal College and Hindu College in the same category. With a total of ten University-level prizes this session, the choir ended their academic year on a note of high enthusiasm.

The Rumoured Project (TRP), a band of alternate rock genre, performs covers as well as self composed pieces. As a new initiative, TRP organised the Battle of Bands, *BASSDROP*, as a part of the college festival ULLAS 2016. The event was a huge success: 24 bands registered themselves from within and outside Delhi, of which 5 were shortlisted for the final round.

TRP won the first prize at the competition hosted by Indian Institute of Law and Management and was shortlisted in competitions held at Indian Institute of Technology (Kanpur), Netaji Subhash Chandra Institute of Technology, University College of Medical Sciences and Ansal University. In the academic year 2015-16, the band composed its own piece titled "Life as we know it", a melodious mixture of vocals and alternate beats. The band plans to shoot a video for the song in the upcoming year and continue to compose its own music.

The Western Music Society of Kamala Nehru College comprises the a- cappella choir, Zephyr and the college band, The Rumoured Project (TRP). Zephyr consists of a group of dynamic, young singers who have come together to create the kind of music that's groovy, foot-tapping and yet leaves a lasting impact on people. The Choir is an a-capella group which creates music without any instrumental accompaniment. The singers use their voices to create a fluid melody entirely without any musical instruments. At the beginning of each academic year, students are filtered through 3 rounds of auditions on the basis of their vocal prowess, blending with the group, the passion to learn and the ability to bring out the best in each other. The selected Zephyr members are then divided into groups according to their range, i.e. bass, tenor, alto and soprano and trained and groomed by the senior vocalists in the group. From choosing new entrants, training them, choosing and arranging the annual musical production to competing in the Delhi a-cappella circuit, the students of Zephyr manage it all without the help of any outside professional help.

The students also arrange music workshops and performances from time to time. In January 2018, Zephyr hosted a vocal workshop with Luiza Sales (Brazilian Vocalist) and Pedro Carneiro Silva (Pianist) which was also attended by teams from Gargi College, Jesus and Mary College and Shaheed Sukhdev College of Business Studies. Zephyr was placed second at the annual fest of BITS Pilani and also participated at MOOD INDIGO, the annual fest of IIT Bombay. The Choir also performed at the Hot Chocolate Fest which was held at the Junction, Hauz Khas. The choir won the first prize at JDMC and is hoping to bring more laurels in the remaining season.

The Rumoured Project, commonly known as TRP, is the band of Kamala Nehru College. It was formed in 2012 by Dipika Sharma, who became its first drummer and her group of passionate musicians. Today, the band comprises of seven members which includes a drummer, an electric guitarist, an acoustic guitarist, a bass guitarist and vocalists. They perform covers as well as original pieces. Over the years the band has performed for various department festivals and at the famous Kamala Nehru College Diwali Mela. It has also performed for gigs and competitions outside college.
