

Report (2019)

The Department of Mathematics organized its Annual Departmental Day, “Omicron” on 31st October, 2019. The chief guests of the day were Mr Ayaan Chawla, founder and CEO of Asian Fox Developments and Dr. Geetha Venkataraman, Professor, Ambedkar University, Delhi. The event began with an interactive session with Mr. Ayaan Chawla. He delivered a talk on the start-up culture in India and discussed ideas about entrepreneurship and success. Dr. Geetha Venkataraman enlightened the students about Groups and Symmetry, its real life applications, and symmetries in finite figures through a power-point presentation. The department also conducted an interactive session with Ms. Nikita Satija, brand manager of PeeBuddy. She spoke to the students about menstrual hygiene and women health related issues.
