

Report 2013-14

SHRINKHALA and MADHUR SAMRITI

Shrinkhala, the society of superannuated teachers of *Kamala Nehru College*, threads together the college and its superannuated teachers. The society organizes get-togethers twice or thrice every year where the members share their academic work along with cultural activities. As part of the Golden Jubilee Year celebrations, the superannuated teachers along with the student alumni are organizing a day-long programme 'Reminisces of *Kamala Nehru College*' on 5th November 2014.

Madhur Samriti, the alumni association of *Kamala Nehru College* is attempting to reach out to more of our old students, through the alumni Facebook page. Students can register themselves and get an update on the college events.
