Adagio is the choreography society of the college. which stands for grace elegance and beauty in dance. It symbolizes a dance form that conveys a theme or a narrative or a story through a fine blend of music, light and choreography in which each movement is an expression, each lift has a meaning and each musical note is carefully incorporated into a piece.

As adagio entered its 2nd year, it achieved a lot. Along with its first ever outstation competition trip to BITS pilani, Adagio with this year's theme ***"Fitting Into Size Zero"*** showcasing the most neglected problem of anorexia reached newer heights by winning many Delhi university competitions. Adagio defeated colleges like LSR, SRCC and NIFT in their own college by acquiring 1st position in choreography competitions, secured 2nd position in our neighborhood college Gargi, St Stephens, Miranda, Commotion (Delhi haat), Twishha an ngo and 3rd position in JMC. Adagio was also a part of a grand semi classical production ***"Chitrangadha"*** by Kamala Nehru College in memory of Rabindranath Tagore's 150th birth anniversary.
