

## **Report 2011-2012**

Glitz – The fashion society of Kamala Nehru College consists of girls who live for fashion. The team believes in strutting the ramp with a lot of oomph, attitude and confidence and winning everybody's hearts, cheer and of course the prize. And they manage to do all this without any outside help! They are a self-assisted team in every sense of the word. They make the music, the garments, the makeup and even the choreography all by themselves that makes this bunch of young adults superstars not just on stage but off of it too.

This super fabulous society stands apart from other fashion teams because they do not just believe in being stylish and looking good, they believe in supporting a social cause through their fashion. They have performed themes like Ecoesthetica to show how people are destroying the Earth and Violated showing the story of a girl who was raped but she rises. All this hard work has resulted in them consistently winning at a number of places. For the year 2011-2012 they are proud to have a lot of wins in their kitty like All India Institute of Medical Science, Management Development Institute, Amity, Youth Nexus, Dayal Singh College, Sri Ram College of Commerce, Delhi College of Engineering, Shivaji College, Hansraj College and Daulat Ram College just to name a few.

The team hopes to achieve a lot more in the coming session through their hard work, dedication and love for fashion.
