

Activities 2017

Luminoso—fine arts of society focuses on improvising the aesthetics of the college campus and providing students a platform to showcase their arts and crafts talent. The society has been known for creating extraordinary handmade decorations for the college fest ULLAS for the past five years.

On 21 st March 2017, Luminoso created 40 canvas paintings as annual art project for the student's common room.

The theme of the annual fest Ullas'17 was "caricature and cartoon strips." Hundreds of handmade caricature works adorned the college campus for the festival. The centre piece was a hand crafted beautiful life size sculpture of a ballerina made out of metal wire. Three inter- college art competitions were held during Ullas, including Paint a scene, Pebble painting and Caricature making. The winners were awarded cash prizes and certificates.

On 21 st September 2017, an intra-college card making competition was held on the topic 'Doodle it up' and the winners were awarded college certificates. On 16 th October 2017, the team worked on the decoration work for College Diwali Mela Adirith. On 22 nd January 2018, two walls of bamboo rooms were painted as a college beautifying project.

From 21 st to 22 nd February 2018, team Luminoso with its vibrant decorations around the campus proved to be the creative force behind the Annual Cultural fest Ullas '18. The elegant gold and silver masks as the Centrepiece broke the monotony of the colourful decoration. The area near the student activity centre was recreated as the 'Childhood Memories Corner' and thus was decorated with numerous superheroes. Along with this, a handmade Photo booth adorned the Chaupal. There were many competitions held, giving students a chance to showcase their creativity. All this and more depicted creativity at its best and made the experience of the annual cultural fest of the college even more beautiful.

With the passing years, the number of members of society has increased and creative activities among the participants has enhanced remarkably. The society has been successful in bringing artistic souls together while helping to create a more vibrant environment and encouraging many students to showcase their potential.
