

## Activities 2019

Prospicio, the Placement Cell of Kamala Nehru College witnessed another fruitful year. With excellent career guidance sessions, internships and placement drives, we were successful in providing a platform to the ambitious students of our college.

Career guidance sessions - The Placement Cell initiated a new and innovative way to help the students train better for future placements and to guide them in their career options through 'CAREER GUIDANCE SERIES'. We conducted sessions on the topics: Session on Group Discussion and Personal Interview'; Session on Aptitude test; Session on Jobs Vs Higher education conducted by Miss Srividhya from Talerang; on CV /resume building session conducted by Abhijeet Singh from Stepvue; Career counseling session conducted by Mr. Jitin Chawala, Alumma, FMS, Delhi.

Panel discussions -Multiple Sessions were organized to impart knowledge and improve skill set of students. On 30th January 2018, a panel discussion was organized on "Women in Leadership Career and Growth Prospects" in collaboration with Change.org, wherein eminent women leaders, Ms. Sushmita Dev, Member of Parliament, Indian National Congress and Ms Shweta Shalini, Spokesperson, Bharatiya Janata Party discussed on the role of women in politics, career opportunities for women in politics and how women do shape the future of the country.

Placement/recruitment - The Placement Cell of Kamala Nehru College had a great year 2019-20 with regards to the final placements. A total of 15 companies approached the college for placements (on and off campus included). Various job profiles were offered and it included students from diverse courses. The Cell was successful in placing approximately 35 students and is expecting a rise in this figure for the upcoming session till April '20. Some known companies that have chosen students for various profiles included KPMG and EY from the top four consulting companies and other renowned companies like Wipro and Tresvista. Some other off campus placements included those from FIS Global and ISA Global. Organizations offering fellowships like Teach For India and Gandhi Fellowship also organized their Pre placement talks in the campus. The average salary package for the year was approximately INR 3,50,000 for all profiles, with the highest pay being offered by Tresvista of 6 lakh.

Internships Report: The Internship section of the Placement Cell witnessed a massive success in its first year, with over 30+ companies providing summer and winter internship and live project opportunities for this session. The companies offered these opportunities in varied profiles, enabling our students to enhance their skill sets and providing them with the much needed corporate exposure and experience, in the area of their interest. Over 40 students have been selected for internships provided by the placement cell, with the numbers expected to rise, since some of the companies are yet to complete their selection processes and announce the results thereof. Some of our major recruiters in this session include, the Yes Foundation, Consumers India, Glinks International, Decathlon, Crumples papers, Gobarefoot, Quikkloan, Umeed etc. Most of these opportunities have been accompanied with a good stipend, with Yes Foundation and Decathlon offering the highest stipend of Rs. 10k, followed by Gobarefoot at Rs. 8k.

Government Jobs and Scholarship/Fellowship opportunities: The Placement Cell, introduced a new section named as Government Jobs and Scholarship Opportunities in the year 2019-20.

This section focuses on making student aware about various opportunities available in the government sector and scholarship programmes. Placement cell helps students to explore the opportunities available to them other than private sector and also guides them for the preparation of the same. Not only private and govt. jobs but students get to know more on scholarship and fellowship programmes. It has successfully influenced a great number of students by highlighting opportunities in sectors like Judiciary, Indian Forest Services, Delhi Police, SBI, LIC, RBI and many more. The section was successful in getting 10 such opportunities this year and looks forward to increasing this number to a great extent in the coming years.
