

Activities 2018

The academic session of 2018-2019 began with a lot of vigor and enthusiasm. Prospicio - The Placement Cell of Kamala Nehru College conducted recruitment drives, seminars and floated internships opportunities for the overall progress and development of the students.

On 3rd August, 2018 recruitment drive and Placement talk was conducted by Ernst & Young (EY), a global leader in assurance, tax, transaction and advisory service. On 4th and 11th September, 2018 KPMG a global network of professional firms providing Audit, Tax and Advisory services conducted pre-placement talk and recruitment drive offering a wide spectrum of job profiles to our students. On 3rd October 2018 a leading Global Talent Development Corporation, NIIT conducted its recruitment drive in college. On 9th January, 2019 a placement drive was conducted by Wipro, a leading Indian multinational corporation that provides information technology, consulting and business process services. A total of 23 students have been placed in these leading companies in this session (2018-19) through our on-campus drives.

The Placement Cell initiated a new and innovative way to help the students train better for future placements and to guide them in their career options through 'Career Guidance Series'. We conducted three sessions on the topics 'Higher Education Abroad' on 25th September 2018, 'Career Counseling and Leading in a Digital World' on 23rd January 2018 and 'Group Discussion and Personal Interview' on 6th February 2018. These sessions were conducted by extremely experienced professionals. The students found these sessions to be a great learning experience.

Sessions were organized to help students enhance their knowledge and improve their skill set. On 5th October 2018 a panel discussion on "Young India Women Entrepreneurship Mission" was organized in association with Niti Aayog and IBCHAM. Shri Ramdas Athawale, Minister of State for Social Justice & Empowerment was the chief guest for the session. A panel discussion was conducted in the presence of three strong and eminent women entrepreneurs, who gave the students an insight into the world of entrepreneurship and deeply inspired them.

On 30th January 2018 a panel discussion was organized on "Women in Leadership Career and Growth Prospects" in collaboration with Change.org, wherein eminent women leaders, Ms. Sushmita Dev a Member of Parliament, Indian National Congress and Ms. Shweta Shalini, Spokesperson, Bharatiya Janata Party discussed on the role of women in politics and how women do shape the future of the country.

This academic session, the Placement Cell has worked very actively to bring the best internship opportunities in multiple domains for the students, across all years and all courses. The placement cell provided a plethora of magnificent internship and live project opportunities in the field of PR, Marketing, Finance, Content Development, Research Analyst etc. Overall, we have offered 24 internship opportunities to the students till now, with the most prominent ones being with the University of Delhi and companies like 'Consumers India', 'The Financial Doctors', 'ShyPlite', 'RIVI' and 'Aiyora'. A pre-placement talk was conducted by 'Gandhi Fellowship and Teach For India' to talk about the work opportunities. The students who applied for the same were then selected based on an off-campus placement process. Our students are also simultaneously taking part in various off campus placement drives, one of them being a placement drive that was conducted by PwC.

Prospicio continues to work towards providing students with opportunities in varied fields as the off-campus placements are still being undertaken and summer internships are being offered on a regular basis to our students.
