

## Activities 2020

From 10-14th September 2020, the society asked the members to submit any photos clicked during the Lockdown / Quarantine period. These photos were then uploaded on the society's instagram page. On 19th September, a peer workshop was held to simplify what is understood by a photostory. Photostories are frequently kept as a part of competitions hence it was deemed important for members to understand it thoroughly. A presentation was made to explain the rules as well as understand various photostories. It was a very interactive and fruitful session. An intra-society competition was held on 27th September on the theme, 'Looking out - You and Your Window Amidst the Pandemic'. Many creative submissions were received and the winning entries put up on the Instagram page. On 5th December a guest talk with one of the best and esteemed videographer and photographer Sarthak Ahuja was held. It was a very interactive talk where Mr. Ahuja shared stories from his journey till now, shared tips on how to grow as an artist, spoke about how to be a part of the industry and so on.
