The Rumoured Project(TRP), the band of Kamala Nehru College participated in multiple events in the academic year 2022-2023. TRP presented a piece in an open-mic event “Hell Freezes Over 6.0” in Vegas mall, Dwarka, organised by a nonprofit organisation named Pratisandhi.

TRP took part in the Battle of Bands event in Uphoria, the annual cultural fest of Bennett University where we performed our original composition “Sapne” which is based on the societal views about women and urging them to chase their dreams and ambitions no matter what adversities lie in their way.

In October 2022, TRP performed for the mental health week program organised by the psychology department of Kamala Nehru College pertaining to the theme “Making mental health for all a Global Priority”.

In April 2023 TRP hosted and performed in 'BASSDROP' the Battle of Bands events in Ullas the annual fest of Kamala Nehru College.
