

Activities 2019

The E-cell worked tirelessly on Project Kadam last year. It empowered 10 cobblers and their families, thereby helping over 50 people with a better quality of life. Students put up stalls in various college festivals and residential areas to sell handcrafted footwear made by cobblers using discarded denim. The team qualified as one of the top 30 teams from all over India for Enactus National Competition held on 13th July 2019 in IIT Delhi. It also qualified for the National Level Competition, under the Micro Jugaad Campaign hosted by Arise NGO. The team was appreciated for its impactful social work by The Indian Express, a national daily, in their newspaper column.
